Show off your school spirit and pride with murals of your mascot on your gymnasium wall, stadium boxes or dugouts.

Hand painted murals, team banners and custom flags are a great way to differentiate your school and make it stand out. It is this type of specialty signage that will set your school apart and show your spirit. Your students will take pride in their school and their teams.

Direct Sign Systems has artists on staff who have the talent and expertise to work with you designing a mural or specialty sign that is just what you want.
